Register to Vote!

When we vote, kids succeed.

If you are unable to vote in this election, you can still participate in the effort!

Help us to spread the word about how important these elections are by:

- talking to your friends and family members about candidates and ballot issues important to you
- posting on social media
- helping others register to vote
- helping others get to the polls

Unsure if you're registered to vote or if your registration is up to date?

THE EXPANDED CHILD TAX CREDIT

\$250 or more per child since July

If you file taxes you should have been receiving funding for each child per month. If you did not file taxes then you can use the non-filer portal to qualify.

More than 10 million children live in poverty in the US.

An expanded **Child Tax Credit** could cut that number almost in half.
