# Summer Connections

Dear \_\_\_\_\_,

Jan 26, 2022

We would like to share an exciting opportunity for summer learning. Summer Connections is FREE and is 7.5 hours per day from June 14 - July 22. All students entering 1st through 5th grade, students who are in Kindergarten - 4th grades in 2021-22, are eligible to participate.

Licensed teachers will be teaching literacy, math, science, art, and career exploration. Students will engage in hands-on Science, Technology, Engineering and Math (STEM) activities for 60 minutes each day. There will also be fun events throughout the summer at the school and students will go on field trips!

Breakfast, lunch and snacks will be provided at no charge. Students will engage in Social Emotional Learning every day and will have time to play outside during two recesses.

You can register at <https://myportal.dpsk12.org/>.

Applications are first-come, first-served. Once capacity is reached at a school, students will be placed on a waitlist.

1. Log into your [Parent Portal](#) account
2. Select "Summer Connections" in the top navigation bar
3. Complete the application
4. Submit the application

For more information, visit the Summer Connections website at <https://www.dpsk12.org/academics/summer-connections/>.

If you need assistance or an alternative for registration, please contact the Expanded Academic Learning Department at [eal@dpsk12.org](mailto:eal@dpsk12.org) or 720-423-3629.

**Thank you,**
