

**Enrollment  
is now open!**

Dear Parent(s)/Guardian(s),

Denver Public Schools is excited to announce that we have received funding from the State of Colorado to provide an Extended Learning Opportunity Program (ELOP). Your child qualifies to participate in this program FREE of charge starting September 12th. Space is limited, so sign up quickly!

Right At School will offer students opportunities to participate in the following:

- Extended learning beyond the school day every day after school until 6 pm.
- Extended learning programs include: homework assistance, educational enrichment elements which include fine arts, STEM-based activities, physical fitness, and a nutritious snack
- Qualified Staff who are vetted by Right At School: staff members are health screened, background checked, and trained to provide Right At Schools Learning Enrichment curriculum.

If you are interested in having your child participate in this program follow the steps below to access the registration portal.

Go to: [Lena Archuleta- Right At School Registration](#)

1. Click "Registration"
