KIPP FAMILY BUSINESS

LEGAL CLINIC - FREE!

FILE TAXES - FREE!

- Favorite month is December, because that's when the whole family makes time to be together.

• Why do you participate at KIPP?

"I like to help, be a volunteer and always be aware of the needs and resources in the school, and above all support as much as I can."

• How can families get involved?

"There is always time to get involved in our children's school, even if it's 5 minutes, but those 5 minutes make a big difference. We need to participate in meetings and committees to be well informed and learn more about our school so we can take this information to the other families and community."
