Teller Families, [Little Kitchen Academy Denver 9+CO](#) is very excited to be welcoming your family this winter into our first-of-its-kind Montessori-inspired cooking academy. Year round, students ages three through teen will learn how to make seasonal, healthy and delicious meals from scratch to consumption—all while developing their math, science and

reading skills as well as polishing up their table manners around the community table.

Little Kitchen Academy offers an excellent opportunity to partner with great schools like Teller Elementary. Our School Partner Program includes LKA Field Trips and our LKA Giveback Program. Field trips give your students the unique opportunity to practice life skills as an extracurricular activity. Bring your students to our kitchen, for a Montessori-inspired cooking class that will delight and inspire. For our Giveback Program, LKA will donate a portion of each registration fee back to Teller to help support your fundraising efforts for every student that is referred by Teller Elementary.

Want to learn more about LKA? Check out the website [here](#).
