Dear KDC families,

We hope this communication finds you well! Our students did a beautiful job of starting today with focus and energy. However, our schedule to complete our mid-year SAT assessment was interrupted by a community-wide power outage. Due to the interruptions today, we are adjusting tomorrow's schedule to allow for our students to take this important assessment and continue graduation related work for our senior students.

In alignment with tomorrow's adjustments, we will have an early dismissal at 1 PM. Lunch will be available for all students upon departure as desired.

If you have questions or concerns, please don't hesitate to reach out 303-922-5324 or jsimpson@kippcolorado.org.

Sincerely,

Jess Simpson
