

Climbing the Mountain... TO CMAS!

All throughout March, teachers will be prepping students for our state test-- CMAS! Students will earn raffle tickets for Striving to MEET EXPECTATIONS and completing assignments with academic excellence. Students will use these tickets to enter raffles each week.

It is important that students are arriving to school on time, completing their homework, and charging their chromebooks each night.

Below you will find a calendar for April. Testing starts April 11th!

April 2023
