

Hello KCAA Community,

As part of the **Black Excellence Program** here at KCAA we are a member school of the African American Young Ladies Summit (AAYLS). This is an organization intended for supporting and uplifting the black female students of DPS by building a strong community of Black students and mentors across Denver.

The AAYLS is hosting a showcase called ***Journey Through the Decades of Black Excellence***. Students and adults of all backgrounds are encouraged to participate and attend.

It will take place April 28th from 6:30-8:30pm at New Hope Church, 3701 Colorado Blvd. Denver CO 80205. So, please look into attending yourself.

If you are unable to attend yourself, but still want to **support the cause**, KCAA Student Voice and Leadership would like to sponsor students and families to go to this beautiful celebration.

A **\$10 donation** would allow us to send one student, a **\$25 donation** would allow us to send an adult, and a **\$35 donation** would allow us to send a student with an adult. However, **any amount is greatly appreciated!**

As a student who attends the other events during the school year, I cannot express enough the importance of the work of the African American Young Ladies Summit in helping me, and my peers, feel recognized, valued, and celebrated. Your generous donation will go a long way in supporting the uplifting and empowering of our young black women at KCAA.

To donate, simply **complete the form below** and have your student **return it** to Mr. Abel-Pype, or you can drop it off in the office, or have it delivered to one of your student's teachers.

For more information on the event, or **to purchase tickets for yourself**, please **use qr code** below:

We **greatly appreciate** any support to make it so more students can participate in an opportunity like this.

We hope to see you there!

Sincerely,

Brigid Griffin

KCAA HS Student Voice and Leadership

----- Return to KCAA in envelope with donation (make checks payable to KCAA) -----
