

Hello KNDLA Team and Family,

AP Exams start on Monday May 1st. Your students who are in AP courses will be taking the AP exams or an AP Final! No student in an AP Course is exempt from the test. Students should eat a healthy breakfast the day before and be well rested.

A few things to note:

- Students **MUST** be in their testing room at the starting time of their exam. Either 8am or 12pm.
- Students who are late or absent the day of the exam (without a doctor's note) will need to pay for the cost of the AP exam. This will be added to their school account balance. (Depending on the exam it would be between \$96-\$120.)
 - Signing up for a makeup exam will only cost the student \$40 IF they take the make up exam. If they sign up for one but don't come to school that day they will need to pay both fees.
 - Keep this in mind as students who still have fees to pay cannot graduate.
