

Colorado Association of Black Professional Engineers and Scientists

SUMMER PROGRAM 2023

Join the Colorado Association of Black Professional Engineers and Scientists this summer for a variety of STEM experiences, and opportunities for your students to keep their skills sharp.

SUMMER MATH BOOT CAMP

M-Th | 9am-Noon | June 12-July 14

Colorado Early College-Aurora 1400 S Abilene St. Aurora, CO 80012

The CABPES Summer Math Boot Camp is a 5-week program designed to help students in grades 5-12 gain self-confidence and expand their mathematical skills which are essential to be successful in the upcoming school year and will develop well-rounded skills for a successful professional career in the future. Summer Math Boot Camp students will finish this program with an all-day field trip to Lincoln Hills on July 14. Games, activities, transportation, and lunch will be provided.

SUMMER MATH QUEST CHALLENGE

June 6-July 25

Keep your math skills sharp this summer while earning prizes! Summer Math Quest students will work in the IXL math program individually and from the comfort of their own homes. Rewards will be given out for work completed at 10 hours, 15 hours, 25 hours, 35 hours and 40 hours. Work completed in IXL must be done at grade-level and/or based on IXL-provided recommendations in order to count toward this challenge.

BOOKS AND BEYOND BOOK CLUB

6-8pm | June 7, June 21, July 5, July 19, July 26

Colorado Early College-Aurora 1400 S Abilene St. Aurora, CO 80012

Students in the CABPES Books and Beyond Book Club will experience the adventure of reading books and the depth of moderator-lead group discussions. Book clubs will be moderated by a CABPES volunteer and CABPES will provide the books to each Books and Beyond participant.

**Registration is required for each of these summer programs.
Visit www.CABPES.org to register.**
