UNIVERSITY OF COLORADO ANSCHUTZ MEDICAL CAMPUS

GIRLS CAREER DAY

The Ludeman Family Center for Women's Health Research is pleased to host the 8th Annual Girls Career Day at the University of Colorado Anschutz Medical Campus.

High school aged students won't want to miss this unique opportunity to learn about a variety of careers in healthcare. Participants will be introduced to careers in women's health, surgery, healthcare communications, endocrinology, research and pharmacology.

The Ludeman Center is committed to diversity and inclusion. We welcome registrations from students who identify as female, transgender, non-binary, and genderqueer.
