

Dear Dragon Families,

Every school within the Denver Public School District has a Collaborative School Committee (CSC) in place. The CSC brings together staff, parents, students, and community members to create and implement a plan to promote high achievement within the school.

Being a part of the CSC is an exciting opportunity to be involved in our school community, not to mention to participate in the education of all our students. Our school is working towards some great goals and we believe that by working together, we can achieve them!

This year we have two openings on our CSC: one parent representative for elementary school (grades K-5th) and one parent representative for middle school (6th-8th) .

We meet the last week every month. We ask that CSC members participate in the meetings and commit to being a member for two years, or one year where it applies.

If you are interested in your name being placed on the ballot for one of the parent representative openings, please fill out the nomination form included in this letter and return it to the main office by Friday September 1st. We will hold the election on September 6th during our back to school night. We encourage you to participate in this great work.

Thank you,

Lindsay Erickson
