I wish to relinquish my DPS school assignment and any waitlist positions, if applicable.

I wish to relinquish my DPS school assignment and *remain* on the waitlist for any schools that I have already applied.

I understand this withdrawal request forfeits my right to a seat at this school in the 2023-24 school year. Furthermore, I understand that if my situation changes and I would like to enroll my student in Denver Public Schools, I must participate in the Second Round SchoolChoice process. School enrollment will be determined based on space availability.
