

ASIAN GIRLS IGNITE

ABOUT US

Asian Girls Ignite (AGI) is on a mission to build a strong community of Asian American and Pacific Islander (AAPI) girls and women by celebrating their individual and collective power through shared stories.

WHO WE SERVE

We welcome all Colorado AAPI middle and high school girls and gender-expansive youth in grades 6th - 12th.

OUR PROGRAMS

Programs are centered around storytelling, based on social-emotional learning, and designed by AAPI girls and women. Through shared stories, we elevate our voices, explore our identities, and care for our wellbeing.

MIDDLE SCHOOL

Monthly event open to all middle school students (grades 6th - 8th). Introduces fundamental concepts like social belongingness, self-efficacy, and identity development.

HIGH SCHOOL

Monthly cohort-based program of 15 high school girls (grades 9th - 12th). Focuses on developing meaningful connections between the students, storytellers, & women.

COMMUNITY

Open to all middle and high school students. Includes a quarterly outdoors program and an annual week-long summer program illustrating representation & equity.

MENTORSHIP

A pod-based mentorship program (piloting fall of 2022). Pairs girls with women to cultivate long-lasting bonds that foster reciprocal growth, and learning.
