Parade Information:

- **Candy WILL NOT BE DISTRIBUTED during the PARADE.**
- The parade route will follow the perimeter of the school property on the sidewalk.
- We anticipate the parade will take approximately 30 minutes for students to complete the walk.
- **Parents wishing to take their students home early must check in to the front office and sign out their students. Please do not pull your student out of line to take them home.**
- Please ensure your child's clothing is weather appropriate. It's getting chilly outside!
- Please be mindful of candy. Please ask your classroom teacher about their candy policy.
- Please leave candy at home starting November 1st. Students may bring one piece for lunch.
- **Participation in the Halloween Parade is NOT MANDATORY. If you would like for your student not to participate, please contact your child's teacher. Students not participating will do a non-Halloween activity in Ms. Elizondo's room. Our Elementary Student Council voted and created other non-Halloween related Spirit Week days.
