

ALBURNETT COMMUNITY SCHOOLS

Home of the PIRATES

P.O. Box 400 • 131 Roosevelt Street, Alburnett, Iowa 52202

Dear Alburnett School Families,

First, thank you all for your patience and understanding as we worked through the first bit of inclement weather for the school year. Hopefully you were able to make plans accordingly and the notice was timely and effective.

With the idea of the weather in mind, inevitably there is the question of makeup days. While our plan is not complete (as we are not finished with winter weather), we did want to keep families informed moving forward.

One part of the makeup day plan that will be utilized will be the February 19th day on the calendar. We **WILL** be taking advantage of that day on the calendar and will be having a regularly scheduled day of school on February 19th with students and staff.

As of right now, this date is the only change families will need to consider since the makeup plan is not finalized. Once we are further along in the school year and (hopefully) past the majority of the bad weather, a full plan will be shared with all families.

Stay safe and warm during this cold, wintery weather!

Best regards,

Will Dible
Superintendent,
Alburnett Community School District
