

The University of Colorado offers a **PAID** opportunity for students who are not yet ready for Pre-Calculus

Engineering Summer Bridge Program

July 15 - August 8

The *Engineering Summer Bridge Program* is a **FREE** 4-week opportunity for current high school seniors or current community college students who plan to attend either the *Community College of Aurora* or the *Community College of Denver* next fall.

Earn \$1,500 for completing the program!

Two workshop locations:

Math Refresher
Review math concepts to prepare for college-level math

Money for College
Get paid to learn about engineering

Hands-On Engineering Project
Engage in a hands-on project to start, or build-on, your engineering experience

Community
Meet like-minded students who are interested in an engineering future that starts at community college
