

Dear Teller Community,

I am writing this letter with mixed emotions as I share the news of my retirement as a ECE teacher at Teller Elementary, effective July 1st.

As I reflect on the 27 years spent in my teaching profession (20 of them spent at Teller), I am filled with gratitude for the enriching experiences and meaningful connections with students and colleagues. The decision to retire has not been an easy one, but I believe it is the right time to transition into a new phase of my life.

I want to express my appreciation to the entire Teller community for the unwavering support, encouragement, and camaraderie that have defined my teaching career. The countless memories created will forever hold a special place in my heart.

Teaching has been more than a profession; it has been a calling and a source of joy. Witnessing the growth and development of each student has been a privilege, and I am grateful for the opportunity to have been a part of their educational journey.

As I bid farewell to the classroom, I look forward to embracing the joys of retirement—spending more time with family, pursuing personal interests, and savoring life's simple pleasures.

Thank you for the support, encouragement, and memories that made my time at Teller unforgettable. I am confident that the legacy of excellence in education will continue to thrive under the capable hands of the dedicated staff and administrators.

Warm regards,

Ms. Becky
