

2025 Costa Rica Trip

Dear Parents and Students,

I am excited to announce that I will lead a group of Kunsmiller Creative Arts Academy students on a WorldStrides program to Costa Rica. On this once-in-a-lifetime adventure, students will explore some of Costa Rica's twelve ecosystems, discover its rich culture and traditions, and experience incomparable learning moments. This will be a trip that your child will be talking about for years to come!

Your child will return home excited to tell you about:

- Ziplining through the rainforest canopy filled with rare and exotic wildlife
- Hiking through a cloud forest and across hardened lava flows from an ancient volcano
- Riding the rapids of one of the cleanest rivers in Costa Rica

I have chosen to travel with WorldStrides because of their exceptional service, their 50 years of experience, their safety record, and their preventive measures that ensure learning occurs in a safe and fun environment. I will chaperone the program with other teachers as needed, and throughout the program our group will be guided by a certified Course Leader 24 hours a day. **Since this is not a school sponsored trip, we will not be attending as representatives or employees of the school.**

There will be a trip information meeting to discuss this wonderful opportunity on Wednesday, May 22, 2024 at 5:30 PM in room 217. All parents and students are invited to attend this brief 30-minute meeting where I'll share more information about WorldStrides, review some of the trip highlights, and explain some of the tools available to help pay for the trip. I strongly encourage you to attend this meeting. Please read through all the details of this letter including a sample itinerary on the back of this page, and visit www.worldstrides.com/signup for more details about WorldStrides and our group's trip. If you have any questions, you can contact me at (720)424-0200, or via jamilla_lutnes@dpsk12.org.
