AUGUST 2024

Kicking Off the School Year at Community Hubs!

As we kick off the school year, we're thrilled to announce full classes including GED, Spanish, and ESL, alongside our expanded food program initiatives. Our marketplace at various hubs will continue to support families with clothing, household items, and school supplies, all thanks to the generous support from our partners across the DPS school district and community organizations.

We're also excited to introduce our two new locations: the Northwest Hub is relocating to Trevista at Horace Mann, and the Near Northeast Hub will now be at Hallett Elementary. We extend our heartfelt thanks to Colfax Elementary and Smith Elementary for hosting these hubs in their first year.

Here's to a fantastic year ahead!
