Back to School Nights

August 27th-29th

You are invited to join us next week for Back to School Nights! This is a special time to experience your child's classroom environment and get to know their teachers. Each teacher/team offers **two identical sessions** for you; this allows the opportunity to attend two different grade level presentations for those who have children in different grades. PRA's Directors will also be presenting about schoolwide topics in the Library each night.
