Community Kindness Curiosity Excellence

November 22nd, 2024

Dear Dora Moore community,

As part of the [Denver Schools Thrive Initiative](#), and using direction from [Executive Limitation 18 \(EL-18\)](#), our school will no longer be offering **6th, 7th, and 8th grade** in the 2025-26 school year. Grade-level restructures do not require a decision from the Board of Education and have been confirmed to go into effect for the 2025-26 school year.

A [Denver School Thrives Toolkit for Dora Moore Students and Families](#) is available for our school with more information.

### **SchoolChoice**

As part of this transition, our rising 6th graders and current 6th grade and 7th grade students will have the opportunity to participate in the SchoolChoice process. The students of families in the impacted grades specifically will receive a closing school priority. SchoolChoice Round 1 application window opens on **Jan. 15, 2025 at 10 a.m.** and will remain open through **Feb. 18, 2025 at 4 p.m.** Learn more about [SchoolChoice here](#).

Please visit the [Denver Schools Thrive Initiative webpage](#) for more information. Please contact me at [abram\\_janson@dpsk12.net](mailto:abram_janson@dpsk12.net) with any questions or concerns.

Sincerely,

Abram Janson  
Principal, Dora Moore
