

# Frontier Academy Parking Lot Rules & Safety Guidelines

## Parking Lot Rules

- Always follow road markings, signs, traffic control devices, crossing guards, and staff instructions.
- Speed limit is 5 MPH in the parking lot.
- Cell phone use while driving on school property is strongly discouraged.
- Park only in designated areas.
- Do not disrupt the flow of traffic.
- All pedestrians must use crosswalk(s) for safety.
- Never encourage students to cross against traffic or walk in the driving lane (e.g., Driveline). Everyone, including adults, must use crosswalk(s).
- Be patient and courteous to others.
- All vehicles are subject to search per school policy.

## Drop Off / Pick Up

- Have your child ready to exit the vehicle (backpacks, books, computers, etc.).
- **RIGHT LANE:** Drop-off and pick-up ONLY. The yellow-striped lines or curb indicate this area.
- **LEFT LANE:** This is a through lane ONLY. Do not stop in this lane as it blocks traffic flow and emergency vehicle access.
- Pull forward when possible to close the gap and help others efficiently use the drop-off/pick-up lane.
- Do not stop or block any crosswalk.
- Stay in your vehicle at all times while your child enters/exits.
- Students should enter/exit from the passenger side. If they must use the driver's side, they should walk in front of your vehicle.
- Students should move swiftly but not run.
- Once drop-off/pick-up is complete, continue to the exit. For office business, please park in a designated space.

## Additional Instructions for Elementary Campus

- An adult must accompany students at all times in the parking lot. Students do not need an escort once they cross the crosswalk to the gated entrance.
- After School Pick-Up (Driveline): Park in the lot and use the green walk-up zone between the buildings OR use the Driveline lane.
- When using the Driveline lane, display your blue Driveline placard. This helps staff prepare your child for pick-up. No placard means a delay. **Note:** Cell phone photos of the placard are not allowed.

## Other Important Notices

- Unattended vehicles or those parked in prohibited areas may be towed at the owner's expense.
- You may be asked to move your vehicle if it is blocking the through lane.
- These rules and guidelines are subject to change without notice.
